FIT013

3 Nights, 4 Days

STOCKHOLM

The capital of Sweden is built on 14 islands, and you are never far from the water. Well preserved medieval buildings stand alongside modern architecture, and just outside the city, the archipelago of about 30,000 islands is waiting to be explored. With the 72 hrs Hop on hop off ticket, you can tour around all over the city by bus and boat to check out as many attractions and museums as you desire.
