DAY 2 BERGEN - HARDANGERFJORD - ULVIK

Board a ship for a crossing on the majestic Hardangerfjord from Norheimsund to Eidfjord. The 179 km Hardangerfjord is one of the longest in the world, and 40% of all Norwegian fruit is grown in the surrounding areas.

Disembark in Eidfjord and join the audio guided bus tour Go Vøringsfossen, which will take you to the Norwegian Nature Centre in Hardanger. This national park center celebrates Norwegian nature, climate and environment through a range of interactive exhibits. Next stop on the tour is the incredible Vøringsfossen waterfall with a dramatic fall of 182 meters. Get a closer look at this spectacular waterfall by walking to the viewing platform before ending the tour back in Eidfjord.

DAY 3 ULVIK - SOGNEFJORD - FLÅM

Transfer by bus from Ulvik to Voss, change bus in Voss and continue the scenic ride to Gudvangen.

Board the ship for a fjord cruise on the narrow and spectacular Nærøyfjord from Gudvangen to Flåm. Surrounded by steep valley sides and snow-covered peaks, thundering waterfalls and picturesque villages, this area has been judged one of the most beautiful fjord landscapes in the world and is on the UNESCO World Heritage List.

In Flåm we suggest a tour up to Stegastein view point to get a panoramic view of the Aurlandsfjord. You may also want to try Flåmsbrygga's most popular dish, the "Ægir Viking Plank", a 5-course food and beer menu where all beers matches perfectly with the different dishes inspired by the Viking era.

Change trains in Myrdal to the Bergen Railway, one of the world's most scenic train rides, which will take you to Oslo, the capital of Norway.

Oslo, situated at the head of the Oslo Fjord, is the capital of Norway. Oslo is a great choice to experience architecture, museums and other attractions. We recommend the Norwegian National Opera & Ballet, Holmenkollen Ski Museum & Tower, Akershus Fortress, National Gallery, Vigeland Sculpture Park, Fram Museum and Norwegian Folk Museum, these are all ranked among the most popular tourist attractions.
