## Tromsø Adventures

Experience the magical winter of Northern Norway by visiting Tromsø, the “gateway to the Arctic”. Easily accessible by plane, Tromsø offers the perfect combination of exotic winter activities, Sami culture, polar history and urban life. You might also get a chance at seeing the northern lights, while enjoying a peaceful Husky dog sleigh ride through the beautiful snowy scenery.

## **DAY 1 | Welcome to TROMSØ | Arrival**

Arrival at Tromsø Airport according to your own itinerary (flight reserved by your agency). Transfer to your hotel.

Tromsø is located 350 kilometres north of the Arctic Circle and is the largest city in Northern Norway. From September to March people from all over the world come to Tromsø to see the northern lights.

**Half board** accommodation at **Scandic Ishavshotel**, or similar, located in the city center.

## **DAY 2 | TROMSØ |**

Enjoy a 3 hours panoramic city tour of Tromsø with a private coach and a local city guide. Visit Polaria, a museum dedicated to the Arctic phenomenon. You will also stop by the Arctic Cathedral for a short visit to admire the church and take some photos before tour ends at the hotel.

*Optional:* Add 1 hour to the tour to take the cable cars to the top of Mount Storsteinen to admire the panoramic view of Tromsø and the surrounding mountains. (Service not included in price, see supplements).

**Half board** accommodation at **Scandic Ishavshotel**.

## **DAY 3 | TROMSØ |**

Morning free for relaxing and exploring the Tromsø city center. We may suggest going shopping in this trendy city, often referred to by the locals, as the "Paris of the North". If you wish to include any optional activities, such as a whale safari or other exotic experiences, one of our travel experts will be happy to assist you with a tailor made itinerary.

In the evening you'll go on a Northern Lights Excursion. Your dreams of experiencing the spectacular Northern Lights dancing over your head may come true tonight. Tromsø is situated right in the center of the Northern Lights zone and is therefore among the best places on earth to observe this phenomenon. Go on an excursion to a camp outside of Tromsø, where the stable climate creates the perfect conditions to see the Northern Lights. No artificial light will disturb your experience, you therefore have excellent chances of seeing and photographing the beauty called Aurora Borealis. The guide will share tips and techniques on how to photograph the natural phenomenon. During the visit you will be served a hot meal, while the guide share her/his knowledge by the open fire in the dining lavvu. Total duration: 7 hours.

## DAY 4 | TROMSØ |

Today you'll go on an excursion by coach to a husky camp. Participate in a dogsledding trip with Alaskan huskies and experienced guides. You have the opportunity to drive a team of huskies yourself, or you can choose to enjoy the ride on the sledge covered with warm reindeer skins, while an expert guide drives the sledge. There are two departures per day for this activity, day time beginning at 09:00 hrs. and night time at 17:00 hrs. If you choose the evening departure, you might get the chance to see the amazing Northern lights dancing above your head whilst you are enjoying the silence of the nature and feeling the dogs pull you into the wilderness. After the trip you will be served a warm Sami meal in a lavvu.

**Bed and Breakfast** accommodation at **Scandic Ishavshotel**.

## DAY 5 | TROMSØ | Departure

After breakfast at your hotel, transfer to Tromsø Airport for your return flight according to your own itinerary (flight reserved by your agency).
