DAY 1 | ARRIVAL IN OSLO

Arrival at Oslo Airport – Gardermoen - according to your own itinerary. (Flight reserved by your agency). Transfer to the hotel on your own.

Oslo, situated at the head of the Oslo Fjord, is the capital of Norway. Oslo is a great choice to experience architecture, museums and other attractions. We recommend the Norwegian National Opera & Ballet, Holmenkollen Ski Museum & Tower, Akershus Fortress, National Gallery, Viking Ship Museum, Vigeland Sculpture Park, Fram Museum and Norwegian Folk Museum. These are all ranked among the most popular tourist attractions.

Bed and breakfast accommodation at **Thon Hotel Opera**, located close to train station.

DAY 2 | OSLO - VOSS

In the morning, walk to the train station in Oslo and board the Bergen Railway, one of the world’s most scenic train rides, which will take you to Voss.

In Voss, snowy mountaintops, valleys and forests, rivers, waterfalls and lakes greet you. The village is located in-between the famous fjords of Sognefjord and Hardangerfjord and can offer outdoor adventures all year round. For nearly 200 years, the village has been welcoming visitors looking for adventures based on nature, local culture and traditions.

Half board accommodation at **Fleischer's Hotel**.

DAY 3 | VOSS - FLÅM

Leave your luggage at the hotel and walk to the bus station for a transfer to the Voss Active Camp. Go for a Rafting tour with Voss Active. Experience the thrill of sitting in a raft going with the flow down the Vosso River. The journey starts in flat water, before joining the flow through sections of gentle rapids with waves and whirlpools. The end station of the adventure is the Evanger Lake, where refreshments and lunch are waiting for you. (Suitable for everyone over 15 years old. Family rafting min 5 years old is also possible at reduced rates).

After lunch, transfer back to Voss bus station. Collect your luggage at the hotel and walk to the train station in Voss. Board the train taking you to Myrdal. In Myrdal, switch trains to the Flåm Railway, one of the most beautiful and steepest standard-gauge railway lines in the world. Travel through spectacular scenery, alongside the Rallar Road, down to Flåm.

At the innermost bank of the Aurlandsfjord, surrounded by steep mountains, thundering waterfalls and narrow valleys, you will find the small village of Flåm. We suggest a tour up to Stegastein viewpoint to get a panoramic view of the Aurlandsfjord or going on a RIB boat tour on the Sognefjord for a more personal experience.

Half board accommodation at **Flåmsbrygga Hotel** in rooms with **balcony** and **fjord view**.

DAY 4 | FLÅM – BALESTRAND

Board a ship for a crossing through steep mountains on the beautiful Sognefjord from Flåm to Balestrand. The Sognefjord is Norway's longest and deepest fjord, and its famous arm the Nærøyfjord has World Heritage status.

The surrounding mountain areas are amongst Norway's most popular hiking areas. The mild climate, fresh air and abundance of lush mountain pastures mean that the Sognefjord area produces fresh ingredients of high quality.

Half board accommodation at **Kvikne's Hotel** in rooms with **fjord view**.

DAY 5 | BALESTRAND - BERGEN

Board a ship for a ferry crossing from Balestrand to Bergen. Cruising further along the beautiful Sognefjord and the coastal landscape of western Norway.

Bergen is Norway's 2. largest city, and is known as the capital of the west and gateway to the fjords. It is a UNESCO world heritage city with bryggen, mount Fløien and the fish market as central attractions. A stroll through bryggen takes you back to the middle ages as a lot of the architecture is preserved. We also recommend a visit to Edward Griegs villa, Troidhaugen.

Bed and breakfast accommodation at **Clarion Hotel Admiral**.

DAY 6 | DEPARTURE FROM BERGEN

After breakfast at your hotel and time on your own for further exploration of Bergen, depending on your flight, transfer to Bergen Airport – Flesland on your own - for your return flight according to your own itinerary (flight reserved by your agency).
